

e-Exam System Trials @ Monash: Paper Equivalent e-Exams

Paper equivalent exams are where students can choose pen or keyboard. A fully functioning word processor is used to collect responses.

- ▶ 1) Boot your laptop with the e-Exam USB stick. After the system has started, enter your student ID and name then click 'Start Exam'.

- ▶ 2) The exam file will be prefixed and labelled with your id, then opened ready to enter your responses.

Typical e-Exam trial timeline

Pre-semester: Trial arranged with unit leader and a customised plan developed.

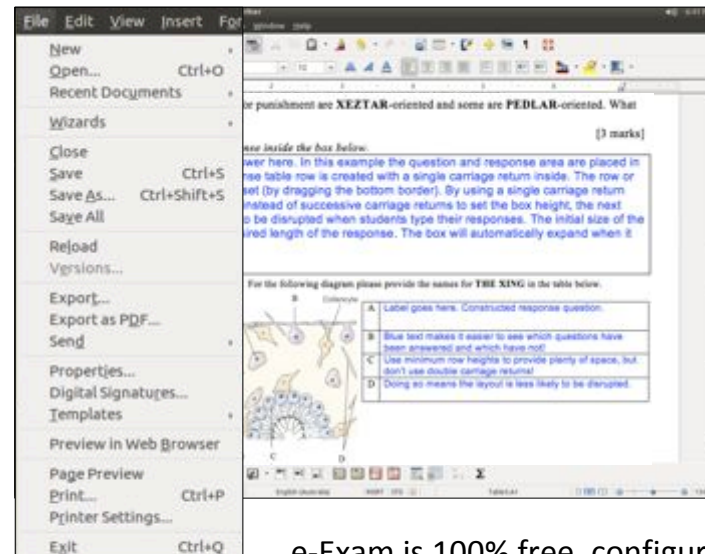

Week 1 to 3: Students choose to type or handwrite exam via online form.

Two weeks prior to exam: Typists go to setup/practice session.

On the day of the exam: students who are typing bring along their laptop, a wired mouse and go to the assigned room while others handwrite with pen-on-paper.

At the end of the exam: all students will be asked to complete a post-exam survey.

- ▶ 3) Auto save occurs every 2 minutes. Manually save the document at any time. Use Exit when you are done.

- ▶ 4) When ready to hand-in your exam click the red 'shut down' button to close down properly.

- ▶ 5) Hand back the e-Exam system USB stick.

Project information and participation consent forms are available upon request.
